Changes to Services 30 and 31 from Sunday 23 March 2025

To better reflect the traffic congestion difficulties we are encountering across Newcastle, the timetable for Services 30 and 31 is revised. As part of the new timetable, a further additional vehicle has been added to the operating schedules. This extra vehicle will enable buses to regain their scheduled times more quickly whenever the traffic congestion issues are encountered on the highways network.

There are no changes to frequencies, with Monday to Saturday daytime buses running up to **every 7 minutes** between Whickham View and Gosforth High Street. Buses then continue to either Fawdon as Service 30 or to Montagu Estate as Service 31, each running every 15 minutes. For full details, please see timetable.
